INSTRUCTIONS FOR ESTABLISHING POSSESSION OF A HIGH SCHOOL DIPLOMA

To become a candidate for any seat on Tribal Council, you must provide proof to the Election Board that you possess a high school diploma or its equivalency. Section 404 of the Election Ordinance states that the “equivalency” of a high school diploma means a General Education Diploma (a GED).

You can choose what type of documentation to submit to the Election Board to prove this eligibility requirement. The types of documentation that you could submit include:

- a certified copy of your high school diploma;
- a certified copy of your GED;
- documentation certifying that you completed a General Education Program that resulted in the receipt of a GED; or
- documentation showing completion of or current enrollment in a postsecondary educational program that required possession of a high school diploma or GED for admission.

**INSTRUCTIONS FOR ESTABLISHING
NO PENDING CHARGES OR PRIOR CONVICTIONS FOR CERTAIN CRIMES**

To become a candidate for any seat on Tribal Council, you must prove that you have no charges pending for a felony or a crime of theft or fraud in any tribal, state, or federal jurisdiction. In other words, at the time that you file your Petition for Candidacy, you cannot be facing an active criminal complaint in any jurisdiction alleging that you committed either a felony or a crime of theft or fraud.

In addition, you must prove that you have not been convicted of a felony or a crime of theft or fraud within the past ten years. If you were convicted of a felony or a crime of theft or fraud more than ten years ago, then you may satisfy this eligibility requirement.

Under Section 405 of the Election Ordinance, there are only two documents that the Election Board must have on hand to confirm that you meet these eligibility requirements. The first is an affidavit that certifies that you meet each requirement. The Petition for Candidacy serves this purpose.

The second document is a criminal background check authorized by the Election Board. To secure this document, you must give the Election Board express permission to conduct a background check. Please fill out and submit to the Election Board the attached “Background Check Authorization Form” at the time you submit your Petition for Candidacy.

Authorization to Disclose Criminal History Records Information

By signing this document above, I hereby authorize the Chitimacha Tribal Police Department or an authorized agent of the Chitimacha Tribe of Louisiana to conduct a comprehensive background investigation on my criminal history, including a search of the criminal record information maintained in the Louisiana Computerized Criminal History files, and to release the results of that investigation to the Chitimacha Tribal Election Board for the purpose of determining whether I am eligible to seek office on the Chitimacha Tribal Council under Article V, §2. D. – E. of the Constitution of the Chitimacha Tribe.

INSTRUCTIONS FOR ESTABLISHING INVOLVEMENT WITH TRIBAL GOVERNMENT

To become a candidate for any seat on Tribal Council, you must establish that within the last year you have done at least one of the following: (1) worked with or for Tribal Government; (2) served on a Board or Committee that directly interacts with Tribal Council; or (3) attended at least six (6) Tribal Council meetings. Const., Art. V, § 2. F. You only need to satisfy one of the three criteria identified above—not all three. Section 406 of the Election Code further clarifies what types of conduct and evidence will satisfy one of these eligibility requirements.

1. Worked with or for Tribal Government.

To satisfy this criteria, you must demonstrate that within the past year you either: (a) served on Tribal Council; (b) were employed full or part-time by an agency or department of the Chitimacha Tribal Government; or (c) were employed full or part-time by an economic enterprise that is wholly owned by the Chitimacha Tribe (*e.g.*, Cypress Bayou Casino Hotel, KETA Group, Sitimaxa, Trading Post, LLC, Raintree Market). You will need to secure and submit documentation that proves this criteria in accordance with Section 406(b)(2) of the Election Code. That documentation may include: a record of your employment history issued and certified by the Chitimacha Human Resources Department (or, in the case of an enterprise, the relevant human resources official); paystubs; or an affidavit from an existing or former supervisor verifying where you worked and when you worked there. If your employer has a process for requesting employment history, you should follow that process. Otherwise, attached is a form you may (but are not required to) use to request your employment history from a human resources representative.

2. Service on a Board or Committee that Directly Interacts with Council.

To satisfy this criteria, you must establish that within the past year you served on one of the boards or committees identified on the “Eligible Board and Committee List” by the Election Board. A copy of that List is attached to this packet. You will need to secure and submit documentation that proves this criteria in accordance with Section 406(c)(3) of the Election Code. That documentation may include: a Tribal Council resolution approving your service on the board or committee; certified minutes from a meeting of the board or committee; or a notarized affidavit of the board’s chair or other designated presiding officer certifying when you served that board or committee.

3. Attendance at Tribal Council Meetings.

To satisfy this criteria, you can only rely on one form of documentation. Ti. X, § 406(d)(2). You must secure and submit documentation issued by either the Clerk of Court (Carrie Terry) or the Senior Deputy Clerk (Jackie Darden) certifying that you attended at least six (6) Tribal Council meetings within the preceding year and indicating the dates of those meetings. Attached is a form you may (but are not required to) use to request this verification from the Clerk of Court or the Senior Deputy Clerk.
