On Saturday, April 30, 2022, we went on a fishing trip at the Sunrise Catfish Farms in Deridder. We caught a total of 846 pounds of catfish before they were filleted. After distributing fish to those participants who want to take home some fish, we plan on using the rest of the fish towards the RiverCane meal service. We would like to thank all who participated, it was definitely a fun-filled event of which we look forward to another trip like this one!
